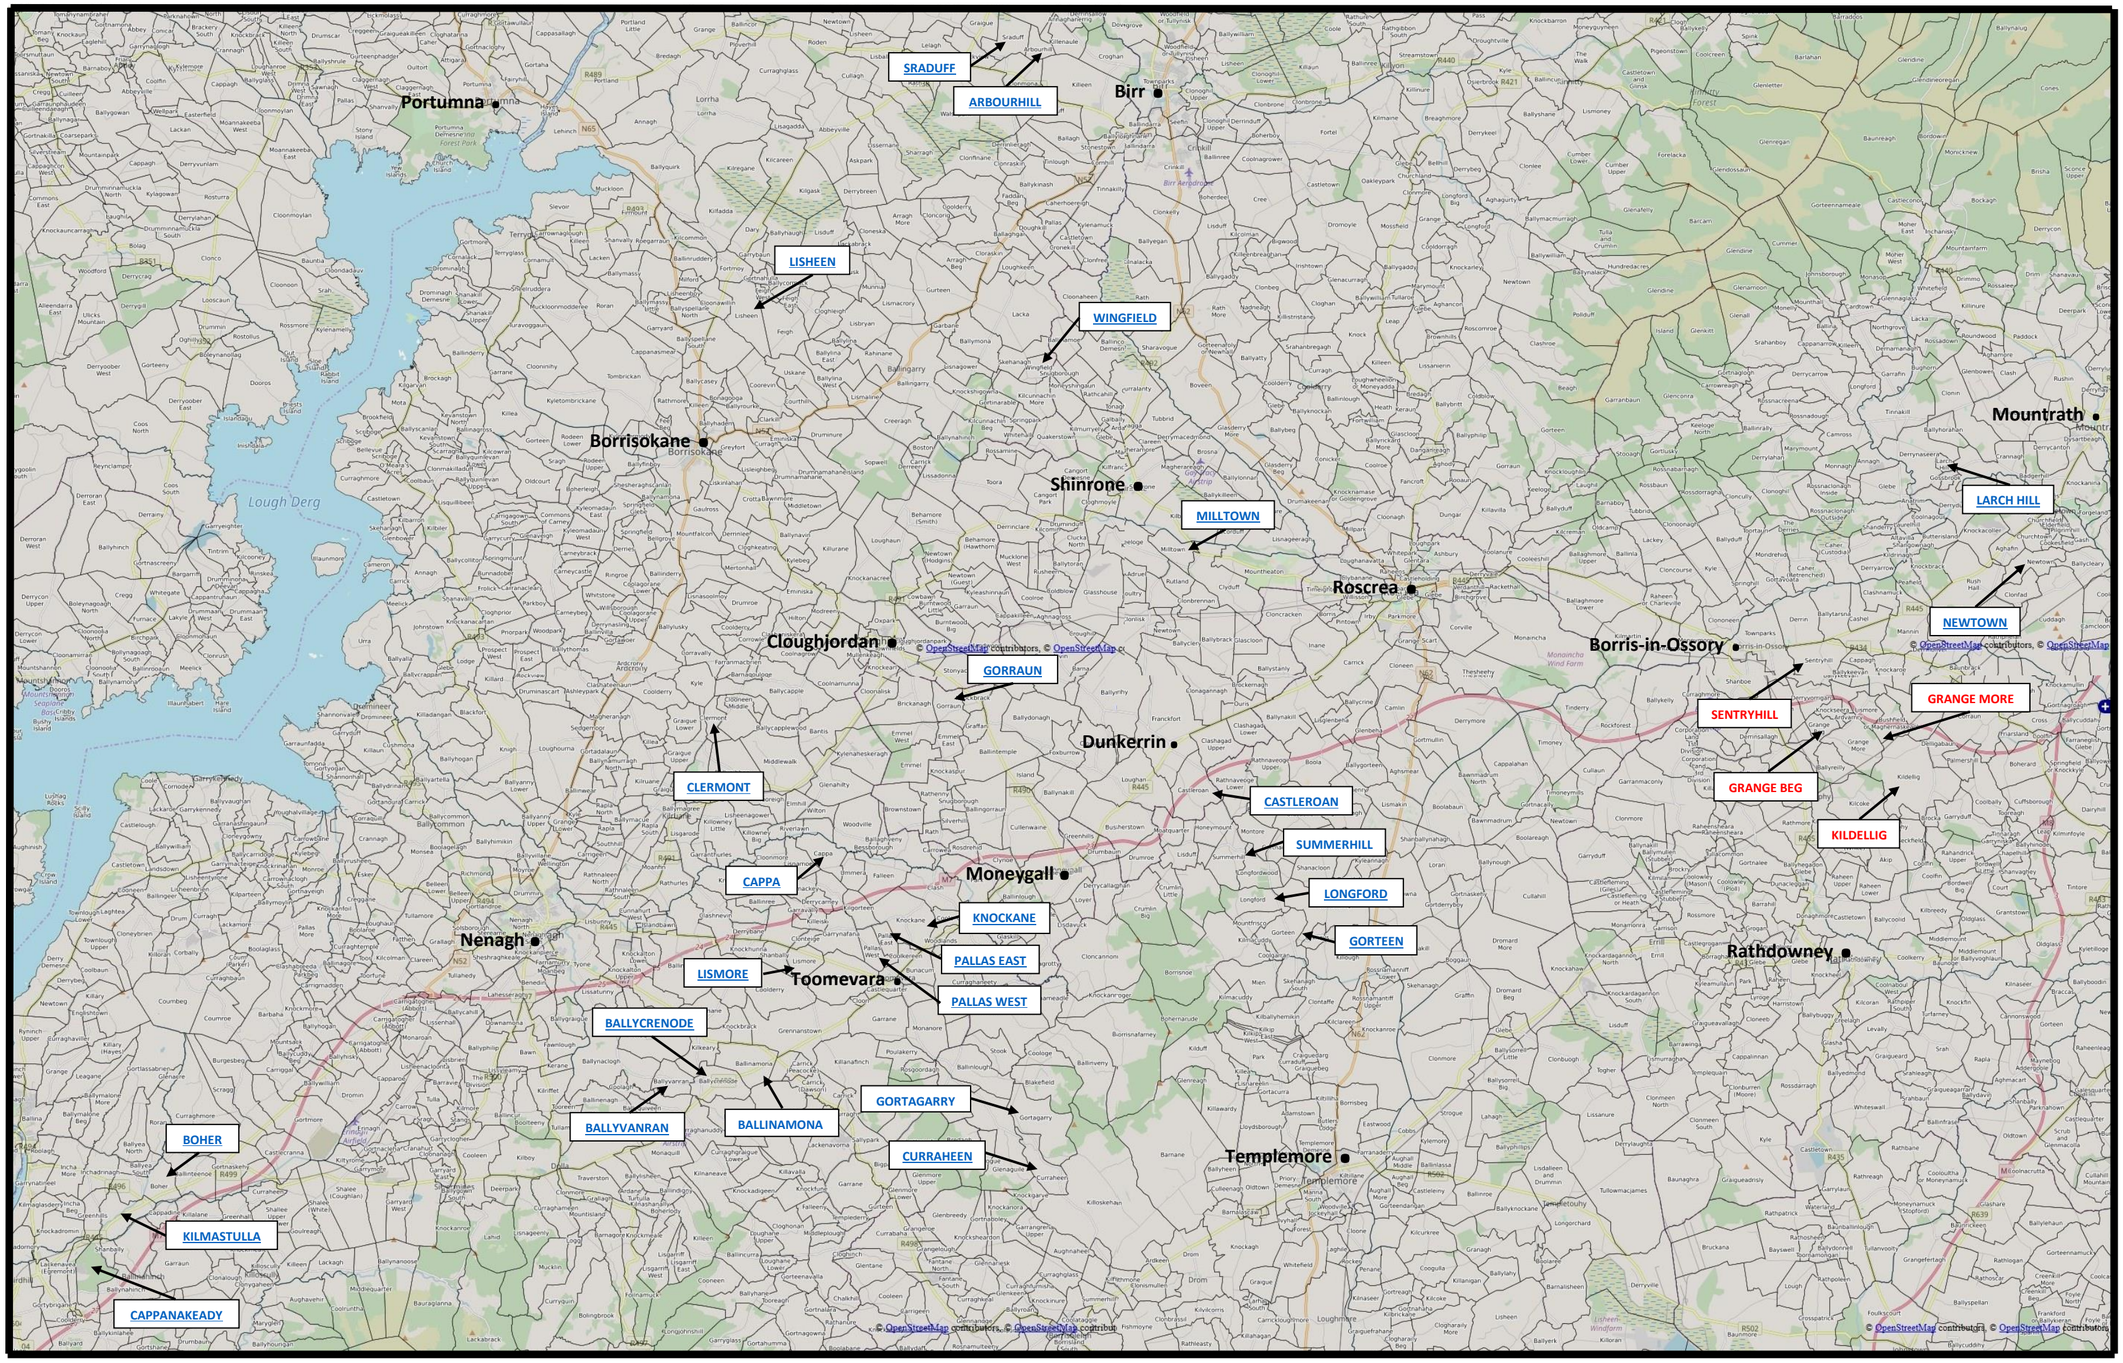
Map showing Townlands in which Shortts resided 1700-1850

© OpenStreetMap contributors. The data used in constructing this map is available under the Open Database Licence and the cartography used is taken from http://maps.openstreetmap.ie/ and is licenced as CC BY-SA.


There are links for these townlands to details on Wikitree. However, links have not (yet) been created for the townlands of Kildellig, Grange More, Grange Beg or Sentryhill because John Short granted land in Kildellig by Charles II does not seem to be related to John Short of Gortagarry.
